# Chairman's Note

*"I believe a youth empowered India is an India capable of impacting the world; it can define intellect and courage as it's the most powerful human asset and claim the 21st Century as it's own. I call such a nation an Edu-Nation and I firmly believe that we can create a nation where every child enjoys every opportunity to grow into a self-reliant, self-respecting individual."*

**Dr. K.M. Vasudevan Pillai**  
**Chairman & CEO**  
**Mahatma Education Society**

Mahatma Education Society, one of the leading institutions for quality education, was founded in the year 1970 and is a living example of a vision linked irrevocably to national goals. Born in a time when education was deemed service it set about bringing social and economic change through the proactive personal development of every child that came into its fold.

The vision of Dr. K.M. Vasudevan Pillai (Founder, Chairman and CEO) and Dr. Daphne Pillai (Secretary) guided the trust which grew from a single school into several multi-disciplinary institutions delivering quality education at all levels.

MES owns and manages over 48 institutions, from pre-primary to post graduation. Well known as the Pillai Group of Institutions, this education major has its own teacher training institutes, which allow it to define its own standards and to achieve 100% results unfailingly. It does so through a highly motivated faculty, a learning environment powered with latest technologies, a spirit of innovation that sees it reach for the highest standards of accreditation in its field. MES recognizes that the sharing of knowledge remains the finest manifestation of an unified world. The Pillai Group of Institutions believe that a more informed India is a stronger India.

## Vision

To impart contemporary Architectural education with professional ethics and integrity in students.

## Mission

Empowering individuals with a holistic education, creating world class opportunities and promoting expertise for global and grass-root initiatives in Architecture. Our academic objectives are to generate leadership qualities and establish strong values with work precedent in the industry.

## Program

The Bachelor's Degree program begins intensively with architectural studies in the first year and provides the opportunity to explore many aspects of Architecture and to develop individual strengths and interests throughout the program.

The curriculum includes four cycles of development. The first cycle focuses on developing a foundation in understanding Architecture, improving drawing skills and the various languages and mediums of expression required in architecture.

The second cycle provides students the opportunity to explore subjects like Architectural Design, Building Construction & Services, Architectural Representation & Detailing and more.

As a part of the curriculum students are also required to undergo Professional Training under a registered Architect for a minimum duration of 16 weeks in the 4th year ( SEM VIII ) .

The final year culminates with Design Dissertation that includes all the technical subjects.

# Message from our students

"PHCOA ! A place full of enthusiasm with great facilities & very helpful faculty members. "  
- Sagar Mhatre

"With a good studio culture and supportive faculty, it makes the challenging architecture life a tad bit easier."  
- Riddhi Naik

"One important thing college has taught me is to give my best at every opportunity. The various learning lessons and opportunities given to us at every step help me build my confidence."  
- Aditi Gohil

"This place has made me pursue not just architecture, but also other fields like music and sports, and made me a much stronger person than before. "  
- Joel George

"In a weirdly confusing journey through college you discover and rediscover yourself every day, through the voyages you take, through the bonds you forge, through the lessons you learn. This great experience of a lifetime was indeed the most important learning at HOC. "  
- Yash Pawar

"This college allowed me to have healthy collaborations between the faculty as well as my seniors. It also gave me versatile experiences to remember both in Architecture and the outside world."  
- Shamik Shinde

"PHCOA has not just been about great infrastructure and facilities, but also about the amazing faculties who have made learning possible for us. It has been a fruitful and fulfilling experience with all the studios and interactive workshops."  
- Samruddhi Sharma

"Faculties gave me the confidence to present myself the way I am and for sure prepared me for the future professional life."  
-Ritesh Rohra

## STUDENT INITIATIVES
