Board of Studies (B.O.S.) special guidelines for Architecture colleges under the University of Mumbai

For declaration of results of summer 2020 Examinations

Special Guidelines for Architecture Colleges under the University of Mumbai

For declaration of results of summer 2020 Examinations and Admission to Academic Year 2020-21

NOTE:

These guidelines are valid only for conducting examinations and declaring results for Summer 2020 Examinations, and for admissions to Academic Year 2020-2021 as a Special Case and should NOT be considered as precedent beyond this, in subsequent semesters.

1.

Preparation and declaration of results for the Semester I to Semester IX examinations of the B. Arch. Course, and Semesters I, II and III examinations of the M. Arch. Courses

The results of Semesters I, II, III, IV, V, VII, VIII examinations of the B.Arch. Course and Semesters I, II and III examination of the M.Arch Course, as well as Semesters I, II, III, IV and V of the M.Arch. Course (Landscape – part time) will be declared by individual colleges for all those students who were **eligible** for the examinations and had passed the previous examination, on the basis of the Maharashtra Government advisory, based on UGC Guideline No. 5.

Internal Marks:

The internal component of marks is available with each individual college, and shall be compiled on the basis of progressive work done in the college, as per usual.

External Marks (where there are Theory Exams and/or Viva):

For those subjects where there is an external component of marks (such as Theory Exam or Viva), the Total External Marks will be calculated as follows (shown in percentages):

Total percentage (out of 100) for the External Component of a respective subject =
50% of internal marks + 50% of total marks for that subject in previous semester (except where inapplicable)

If marks from previous semester are not available, as is the case with Semester I, then
Total percentage (out of 100) for the External Component of a respective subject =
100 of % internal marks

- If the result is already declared for some repeater (K.T.) examinations, a new result shall be prepared on the basis of performance in the previous semester (as above). Both these results should be compared, and, wherever the total percentage for a subject is higher, those marks should be considered for preparing the grade for that subject.

Handwritten signature in blue ink.

Declaration of results for eligible students who have not passed the previous examination:

- If a student has not passed the previous examination of that course, the external component of marks for that course should be calculated on the basis of performance in the examination previous to that one.

It is further stated that the results of the students who are not eligible for the current examination (Summer 2020) will NOT be declared.

Preparing the Result for Semester VI examination

As per the syllabus, the Semester VI examination is conducted by the University of Mumbai. For Semester VI, students will obtain Grade Card from the University, as Semester VI is considered as Stage I for the B. Arch course, and the successful completion of this stage is significant as per Council of Architecture minimum standards.

Therefore,

Internal marks for semester VI will be uploaded to the University by individual colleges. The result for Semester VI will be declared by the University by adding the external component of marks.

For this purpose, individual colleges should upload internal marks not only for the current semester VI, but also upload the details of previous examinations.

The exact procedure will be decided by the Results Unit.

Preparing the Result for Semester VIII examination

Semester VIII is the semester for Professional Practice (Internship). External Viva is conducted for this course. Since, there is no internal component for this course; colleges cannot evaluate the performance of the students.

Eligibility for preparing this result will be decided by colleges on the basis of submission of Log Books and a Certificate of Experience from the firm where the student was interning (until the lockdown), which will be submitted to the college by the students.

It is resolved that the grades for the Semester VIII will be given on the basis of CGPA of semester VII.

NOTE:

It is suggested that after the declaration of Semester VIII results, any student can apply for a Viva Examination to be conducted if they are not satisfied with their grades.

Preparing the Result for Semester IX- Repeater (KT) Examination

If a student has failed in the Semester IX Examination, the student's result will NOT be calculated on the basis of previous examination.

Such students will have to appear for the examination (to be held subsequently) and clear the backlog.

(Based on the address by Honorable VC on 12th May 2020)

The result of semester X for Repeater Students will NOT be declared unless the student passes semester IX examination (to be held subsequently)

2.

Final Year B.Arch, Semester X Examinations, M.Arch Semester IV Examinations and M.Arch - Landscape (Part Time) semester VI Examinations to be conducted by University

These examinations are scheduled to be conducted in the month of July (depending on the situation of the lockdown). Further advisories for the conduct of these examinations are awaited from the Government of Maharashtra and the University of Mumbai.

Preparing of Results for Summer 2020 examinations in the B.Arch. Course

Following the Maharashtra Government advisory, and based on UGC guideline No. 5

Internal Marks:

The internal component of marks is available with each individual college, and shall be compiled on the basis of progressive work done in the college, as per usual.

External Marks (where there are Theory Exams and/or Viva):

For those subjects where there is an external component of marks (such as Theory Exam or Viva), the Total External Marks will be calculated as follows (shown in percentages):

50% internal marks + 50% of total marks for that subject in previous semester (except where inapplicable)

If marks from previous semester are not available, as is the case with Semester I, then
Total percentage (out of 100) for the External Component of a respective subject =
100 of % internal marks

Calculation of Marks for Subjects with External Component (such as Theory Exams and/or Viva)

	External Marks T = A + B	
T	A	B
Semester I	100% Internal Marks of semester I	B=0
Semester II	50% Internal Marks of semester II	50% marks of Semester I
Semester III	50% Internal Marks semester III	50% marks of Semester II
Semester IV	50% Internal Marks semester IV	50% marks of Semester III
Semester V	50% Internal Marks semester V	50% marks of Semester IV
*Semester VI	50% Internal Marks semester VI	50% marks of Semester V
Semester VII	50% Internal Marks semester VII	50% marks of Semester VI

*Result for semester VI examination will be declared by University

For Semester VIII

Grade for semester VIII = CGPA of semester VII (Rounded off to the nearest Grade Point)

Examples:

If the CGPA of Semester VII = 5.7, then Grade Point of Practical Training in Semester VIII = 6, and Grade for the subject will be D

If CGPA of Semester VII = 7.1, then Grade Point of Practical Training in semester VIII = 7, and Grade for the subject will be C

Subject :- Request for Online Conduct of Thesis and assessment/juries/exams for the final year
B.Arch Degree Course at Schools of Architecture in the State of Maharashtra-reg.

Respected Sir,

The attention of the Council has been drawn today that the Government of Maharashtra has decided to cancel all the final year examinations for all the colleges and universities in the state and that all the final year/final semester students will be promoted based on the performances in previous years or semesters.

While Council appreciates the initiative of the Government of Maharashtra in resolving the issues being faced by the institutions and students pursuing professional & technical courses in the state of Maharashtra in view of Pandemic of COVID-19, the Council would like to kindly bring to your kind notice certain issues regarding applicability of the said decision to 5-year Bachelor of Architecture (B.Arch.) course.

Sir, as you may be aware, 5-year Bachelor of Architecture (B.Arch.) course is a special technical course distinct from other professional/technical courses in which a full semester is devoted to Thesis and assessment/juries/exams occurring in the final year. *The Thesis and assessment/juries/exams in Architecture are unique in nature from other disciplines, forming a critical part of the course in shaping & evaluating the performance, creative and design skills of the B.Arch. students. Subjecting a student to undergo Thesis and related activities ensures that he/she has acquired sufficient knowledge and skills to enter the profession of architect and helps in building a strong foundation of a professionally competent architect.* As such, the semester involving Thesis and related activities cannot be overlooked or omitted.

The Council, in its Regulations, has prescribed Thesis and assessment/juries/exams as vital component in the curriculum of B.Arch. course leading to award of recognized qualification under the Architects Act, 1972. Under the provisions of Architects Act, 1972, only a person who has undergone a recognized qualification, subject to conforming to the Minimum Standards prescribed by the Council, is eligible for registration as architects to practice the profession of an architect in the country.

I would like to further apprise you that in order to contain spread of Covid-19, the Council had recently issued and circulated an "Advisory for completion of thesis and practical training, assessment & online teaching for the students of B.Arch." in the month of April, addressed to institutions, universities, Chief Secretaries and Director of Technical Education of all State Governments/UTs, recommending therein, among others, for online conduct of all viva-voce, juries, thesis reviews and final jury of B.Arch. course. The advisory also described the process of online conduct of Thesis and juries. A copy of the same is attached herewith for your kind reference. The same is being followed institutions and universities all over the country for their respective students.

In view of the above, the Council requests the Government of Maharashtra to exempt B.Arch. course from the above decision so that the Thesis and assessment/juries/exams occurring in the final year of the course may be conducted as per the advisory issued by the Council and B.Arch. students may undergo Thesis and assessment/juries/exams in their final year as per the requirements of the Architects Act, 1972, to become eligible for registration as architects.

The Council hopes for a favorable response from your good offices in the interest of Architectural education and practice.

Thanking you,

Yours faithfully,
