Brief about the activity/event	In the first part, the speaker explained to the fifth-year students about opportunities to do a master's and Ph.D. at the Universities of Norway in sustainable architecture. She highlighted the eligibility, academic requirements, work prospects, visa, and other aspects enabling Indian students to study and work in Norway. In the second part, she highlighted the importance of minimizing the negative impacts buildings have on the environment through the effective use of materials and energy. She also explained the incorporation of sustainable vision in architectural design to improve the energy efficiency of buildings.
Remarks	It was an event where all participants were enlightened about academic and professional opportunities for studying and working in Norway.

Brief about the activity/event	The Speaker talked about the opportunities for higher education abroad. How their agency has a specialized approach to understanding the requirements of students and giving them an appropriate solution. He also talked about future career prospects in the field of architecture in Australia, So that students can easily finalize the university or a particular course they want to join. This gives easiness in preparation for the admission process and entrance exam. He talked about acquiring scholarships and other financial support to ease down the burden and then the admission process will be hassle-free.

PILLAI HOC COLLEGE OF ARCHITECTURE, RASAYANI

INSIGHTS

“ People define my work under heading : contemporary vernacular, critical regionalism, it's all so superficial. I'm essentially modernist. ”

Anupama Kundoo's internationally recognised and award-winning architecture practice started in 1990 demonstrates a strong focus on material research and experimentation towards an architecture that has low environmental impact and is appropriate to the socio-economic context. Kundoo has built extensively in India and has had the experience of working, researching and teaching in a variety of cultural contexts across the world: TU Berlin, AA School of Architecture London, Parsons New School of Design New York, University of Queensland Brisbane, KJ Somaiya Vastu and ETSAB Barcelona.

Anupama Kundoo
Madrid | Berlin | Aurville

Rahul Srivastava
Mumbai | Bangalore | São Paulo | Geneva | Seoul

Rahul Srivastava is a co-founder of urbz and The Institute of Urbanology. He studied social and urban anthropology in Mumbai, Delhi and Cambridge (UK). His previous publications include an ethnography of urbanized nomads around Mumbai, a novel published by Puffin, (Penguin, India) and 'The Skum Outside', a commentary on Dharavi, co-written with Mahas Echanove and published by Strike Press.

Brief about the activity/event	<p>Ms. Anupama Kundoo shared her choicest design projects, life as an architect and philosophy of design with the students. Mr. Srivastava shared his thoughts about the urban design problems in Mumbai along with a survey project involving Rasayani in 2005.</p> <p>After the session Ar. Anupama Kundoo interacted with Third Year students and went through their Architecture Design panels for a Community Centre at Versova Koliwada. They also guided students by providing career guidance in the field of urban design and eco-friendly architecture along with the importance of the same for our coming future.</p>
Remarks	It was a career guidance opportunity for the students in an allied field of architecture
