LSU

Pinkie Gordor Graduate School

Dear Dhairya Visanji,

Congratulations! Your application for admission to The Graduate School at Louisiana State University has been approved for the Fall 2023 semester in Construction Management - MSCM.

Please note, a **provisional admission** means that the Graduate School is still missing required official documents. Information regarding the missing and required official documents can be found in your [application portal](#). All of these documents are **due within thirty days after the first day of classes** of your starting semester or module. If the missing documents are not received within 30 days of the start of classes, then a registration hold will be placed on your account and you will not be able to register for classes for subsequent semesters or modules.

Official transcripts are the most common missing documents, though this is not always the case. An official transcript bears the official seal of the issuing school and if appropriate that a degree has been awarded. Photocopies, facsimiles, or transcripts marked "issued to student" are not official. Please check your [application portal](#) to see which documents are missing.

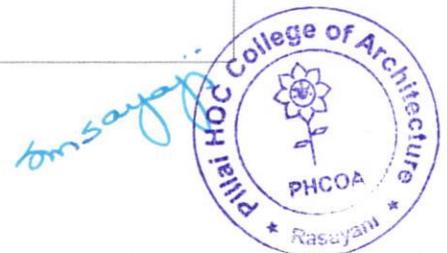

Your admission to the Graduate School can be revoked if, after receipt of these documents, it is determined that you do not meet the academic requirements for admission into the Graduate School.

Visit <https://www.lsu.edu/graduateschool/students/new-graduate-students.php> for important next steps. Please check your [status portal](#) to view your LSU ID and myLSU information. Please allow for 2 days for this information to appear in your portal. If you are an international student in need of an LSU SEVIS form (I-20 or DS-2019) for the F-1/J-1 student status, visit International Services' [website](#) for a checklist of the next steps. For more information on the English Placement Test and Oral Proficiency Interview, please visit the [English as a Second Language Program](#).

Should you have any questions between now and the beginning of your studies at LSU, please contact The Graduate School via e-mail at gradadmission@lsu.edu.
