About Your GRE® Score Report

Score Reporting Policies

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the GRE® Information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Tuition Fees

The Estimated Annual or Total Tuition Fee is based on the current available year's published program fees at a standard full-time enrolment (24 units per year). The Program Deposit portion of the Acceptance Fee as mentioned within the Acceptance Form will be allocated towards your tuition. Any overpayment of the Acceptance Fee will not be refunded but will remain on your account to be used for future tuition payments. Tuition Fees are reviewed annually and may increase in future years. To confirm the annual tuition fee for future years, refer to Degree Finder at www.adelaide.edu.au/degree-finder six months prior to the commencement of the program. Your tuition fees will be based on your enrolment and the fees set for that year.

The majority of the University's programs are offered in semesters; however, some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual program fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information about this program, for more information, please visit www.adelaide.edu.au/degree-finder.

Student Services and Amenities Fee (SSAF)

Students are required to pay an annual fee for the provision of essential, non-academic services. For more information, please visit www.adelaide.edu.au/student/finance/student-services-and-amenities-fee. The 2023 fee is \$326 based on full-time enrolment and is subject to annual increases. Students will be invoiced for this fee separately, after commencing in their program.

Incidental Tuition and Non-Tuition Fees

Students may incur additional costs for items such as field trips, excursions, textbooks, specialist study equipment (e.g. laboratory coats, microscopes), optional supplementary reading and academic program materials, first aid certificates, vaccinations, clearances, library fines and expenses such as thesis preparation, printing and binding. Incidental costs vary between programs. For more information, please visit www.adelaide.edu.au/student/finance/other-fees/.
