Brief about the activity / event	<p>Ar. Lalit Kishore Bhati shared his experiences while working as an architect at Auroville. He highlighted the initial idea behind the master planning of the city, experiments in sustainable building materials and pioneering innovations taking place in Auroville. These experiments have played a big role shaping the contemporary sustainable architectural practice in India.</p> <p>Ar. Padmakumar R.D shared his learnings while working with COSTFORD. He highlighted the state and central government projects undertaken by COSTFORD, the experimental materials used in construction and efforts to promote building techniques used by Laurie Baker. He stressed that using sustainable technology in construction is the need of the day because of degrading environment.</p>
Remarks	It was an event where academicians, practitioners and students from other departments participated as well.
