Sem	Sem 3
Organised by	Pillai HOC College of Architecture, Rasayani
Objectives	Visit RCC Structures.
Date and time	3 Aug 2022
Venue	Site visit in Rasayani
Faculty coordinator	Abhishek Chakraborty
Supporting staff	Shivaji, Jayant S.
No. of students present	15
Program approved by	Prof. Suchita Sayaji, Principal, PHCOA
Brief about the activity/event	This site was near to our college, after coming to the site students walk through the different parts of the RCC structure, highlighting key elements like beams, columns, slabs, and foundations. Faculties explain how these components work together to create a stable and functional building. Faculties allow students to ask questions and engage them in discussions with site authorities. This will foster a deeper understanding of the RCC structure and provide an opportunity for clarification.
Remarks	Students made a model & report which document different aspects of the structure, such as its structural system, material usage.
