Conservation Architect and Faculty member, Mr. Ajinkya Vekhande accompanied students on a heritage walk in the Sion fort precinct. Mr. Vekhande explained in brief the history of the Dutch, Portuguese and British colonial history of the city and its impressions in the form of the various forts dotting the coastline of Mumbai. Students were made aware about the maritime importance of these forts and the need to conserving such monuments for generations to come. Students also realized that such heritage monument sites also serve as a public space. The Sion fort precinct was revamped by the city's municipal corporation and state ASI (Mumbai Circle) to create a public garden which acts as one of the precious breathing spaces for citizens in an otherwise congested metropolis. |
| Remarks                                | A very successful event followed by briefing the students about few landscaping strategies and beautification of such spaces by our Landscape expert Prof. Abhishek Chakraborty   |

| <b>Brief about the activity / event</b> | <p>Community Service Day is observed each year at Dr. K. M. Vasudevan Pillai Campus, Panvel by inviting over 700 residents of orphanages, shelters for a day of food, learning and fun. Unfortunately, this year Mahatma Education Society was not able to observe due to the pandemic. To observe Community Service Day in 2021, a collection drive of old/new blankets, pillows, sweaters, warm clothing, etc. was conducted at all 6 MES/Pillai Campuses in the month of January 2021. The winter was brutal this year and thousands of homeless people experienced severe illness due to the lack of shelter and warm clothing. We felt that conducting this drive was the least we could do to help those on the streets.</p> <p>The MES team which included students of PHCOA distributed the items personally to the homeless in the last week of January 2021 in the areas of Mumbai &amp; Navi Mumbai..</p> |
| <b>Remarks</b>                          | It was an event where the faculty and students connect with the people and societies around us for good cause.   |
