WORKSHOP ON VERNACULAR CONSTRUCTION TECHNIQUES

Academic year: 2022-23

Organized by	Pillai HOC College of Architecture, Rasayani
Objectives	<ul style="list-style-type: none">To introduce students with traditional building materials.To perform hands-on activity to understand the workability of a particular material.To inculcate the idea of sustainable building materials and their use in construction.To introduce students with vernacular techniques of construction.
Name of resource person(s)	Ar. Gunjan Jaiswal
Introduction about the resource person	Ar. Gunjan Jaiswal (Assistant Professor) has completed her Masters in Urban Conservation from KRVA. She is a sustainability enthusiast. She has worked in Auroville, where she got an opportunity to work with experts in the field of mud architecture.
Date and time	20-24 June 2022 4.00pm to 5.30pm
Venue	PHCOA, Construction Yard
Faculty coordinator	Prof. Rajnigandha Choudhary
Supporting staff	-
No. of students present	7
Program approved by	Prof. Suchita Sayaji, Principal, PHCOA
Brief about the activity/event	The expert first introduced the material and its properties to the students. It was followed by a discussion regarding concept and design of structures using rammed earth. The students came up with different ideas, which were finalised by the expert, and then the hands on work started. The final product came out as a scaled model made of rammed earth. The workshop ended with the display of the models made by all of the participants.
Remarks	The hands on workshop gave the students an opportunity of experiential learning
