Brief about the activity / event	The students of Pillai College, Navi Mumbai undertook an initiative towards the welfare of stray dogs in the month of February 2021. Many students including students from PHCOA came together and fed stray dogs across Mumbai and Navi Mumbai and requested others to be a part of this initiative too. People from all around the state donated to this noble cause along with feeding stray animals near their residential area. This little gesture means a lot to those animals who can't help themselves to a proper meal in these pandemic times.
Remarks	It was an event where the faculty and students came together for the noble cause of animal welfare.
