**6.3.2**

In response to the DVV clarification requested we would like to justify the claim on the basis Council of Architecture (COA) Guidelines to Conduct Training Programmes.

We would like to bring the following points to clarify the DVV

- 1) Our regulatory Council of Architecture (COA) stipulates Faculty Development Programme (FDP) Under COA- TRC (Training Research Centres); where in a mandatory amount has to be contributed for Faculty Development by the management.
- 2) The stipulated FDP registration fee amount paid by the management in an academic session is proportion to the average intake of students in last five academic years.
- 3) Registration fee stipulated by COA has been revised over the years (2018-2023). The fee amount has decreased from Rs. 10,000 in the year 2018-19 to Rs. 1,500 in the year 2022-23.
- 4) The institute has provided financial support to all faculties desirous of taking up Faculty Development Programme (FDP).
- 5) It has been noticed that the amount provided as a financial support for taking up the faculty development Programmes has not been fully consumed and can be utilised in the consecutive academic years.
- 6) Evidence of the COA guideline has been provided through a reference email to the institution.
- 7) List of teachers who have been provided the financial support to attend conference/workshop is given below.

Dear Sir/Madam,

This has a reference to the Collaborative Training Project (CTP) of the Council of Architecture.

In this regard, as decided by the Executive Committee of the Council, all institutions are required to deposit the amount with COA as registration fee for training of their teachers during academic session 2022-2023, in proportion to their average intake of the last five academic years, at the rate of Rs. 1,500/- per participant for Online Training Programs (Performa for Calculation of average intake is attached herewith).

The registration amount has to be paid in advance and may be transferred to the account of the Council as per details given below, latest by 30<sup>th</sup> September 2022.

For online payment, please follow the following Link:

<https://eazypay.icicibank.com/eazypayLink?P1=K00kQYjNFb8LZHkyuUDx6Q==>

From this link, one can pay ANY AMOUNT by using Cash Deposit, RTGS, NEFT, Net Banking or Cards instead of cheque/demand.

The scanned copy of the duly filled in Performa together with proof of online payment may be sent to the Director, Council of Architecture Training & Research Centre (COA-TRC) at the email: [director@coatrc.in](mailto:director@coatrc.in),

In case of any further clarification, Prof. Jayashree Deshpande, Director, COA-TRC, Pune (Mobile: 09049700352), Email: [director@coatrc.in](mailto:director@coatrc.in) may be contacted.

Thanking you.

Yours Faithfully

Application form for STTP / TTP

Date: 30/07/2022

The Principal,  
PHCOA, Rasayani

Subject: Application for participation in STTP / TTP

Respected madam,

I, ABHAY CHAVAN, Professor / Associate Professor /  
Assistant Professor, request you to grant me a permission to attend STTP / TTP with following  
details.

Academic Year: 2022-2023

Title: QUANTITATIVE METHODS FOR QUALITATIVE RESEARCH  
IN ARCHITECTURE & PLANNING

Start Date: 1/08/2022

End Date: 5/08/2022

Registration Fee: 3000

Thanking you,

Yours Sincerely,

ABHAY CHAVAN

Five Days National Online Faculty Development Program on

# Quantitative Methods for Qualitative Research in Architecture & Planning

## Preamble

Quantitative methods for Qualitative Research in Architecture & Planning presents research as a systematic process, provides an in-depth explanation of different research methods, and explains how to choose appropriate research methods and conduct research studies. It outlines the process of documenting, disseminating knowledge and applying research findings in the fields of architectural design and planning.

The program would be beneficial for faculty members and practicing architects interested in research and those aspiring to a doctorate.

Aug 1<sup>st</sup> 2022 to Aug 5<sup>th</sup>, 2022. 2.00pm - 5.00pm

LAST DATE FOR REGISTRATION **30<sup>th</sup> July 2022**

**PAYMENT LINK  
CLICK HERE**

**REGISTRATION LINK  
CLICK HERE**

For Academicians/Professionals **INR. 3000/-**

PhD. & Postgraduate students **INR. 2000/-** (below 40 yrs of age)

- Kindly email the scanned images of proof of payment to [ceatrc.bhopal@gmail.com](mailto:ceatrc.bhopal@gmail.com) to get registration confirmation.
- Virtual meeting link [Zoom Platform] will be shared after registration by email.
- E-certificate of the Faculty Development Program shall be sent by email on registered email id of the participant upon successful completion of the program i.e. by attending all sessions and completing MCQ test (conducted on the last day)
- MCQ time 5.00pm to 6.30pm.

## Speakers

**Dr. Amruta Garud**  
Research Design for an  
Exploratory Research in  
Architecture & Planning

**Ar. Anmol Mathur**  
Research Methods in  
Thermal Comfort  
Studies

**Anugrah  
Anilkumar Nagaich**  
Intellectual Property  
Right

**Ar. Manika Goel**  
Research paper writing

**Dr. Mehfuz R  
Barbhuiya**  
Experimental and  
Quasi-Experimental  
Research: Methods &  
Techniques

**Dr. Mohammed Firoz.C**  
Publish or Perish: The  
Dilemma of Quality and  
Quantity of Publications  
in Academic Research

**Ar. Neha Sharma**  
Digital Research  
Methods and Tools in  
Architectural Design and  
Planning

**Prof. Rashmi Ashtt**  
Qualitative Research  
Methods & Techniques  
for Architectural and  
Planning studies

**Dr. Shiva Ji**  
Correlational Research:  
Methods & Techniques

**Dr. Shreyas Bharule**  
Quantitative Research  
Methods & Techniques  
for Architectural and  
Planning studies

### Convener

**Dr. Navneet Munoth**

AKANKSHA RUCHI HORO

*Smsayaji*

Research in Architecture

Date - 2<sup>nd</sup> - 5<sup>th</sup> August (10:30 am - 3:30 pm)

Registration Deadline - 29<sup>th</sup> July

PREAMBLE

Research in architecture encompasses original investigations conducted in order to generate knowledge, insights, and understanding based on expertise, methods, and tools specific to the discipline.

Architectural research is an intrinsic part of the design process, but it is also a professional path that highlights scientific evidence and explores alternatives outside of pre-established norms. Creating a knowledge base can help achieve objectively better outcomes through design. This training program is designed to convey the importance of architectural research in practice and academia and to guide researchers through the opportunities and platforms currently available.

The program would be beneficial to academicians, research scholars, and practicing architects to create a better understanding of the types of architectural research, methodologies, scope, and opportunities as well as possibilities for pursuing a career in architectural research.

REGISTRATION FEES : Rs. 3,000/-

(Rupees three thousand only).

Colleges may nominate faculty under CTP 2021-22

Kindly upload scanned images of proof of payment/nomination form printed on college letterhead and stamped and signed by the head of the college while filling up the registration form.

## Online 5-Days Short-term Course

on

## Recent Research Techniques in Architecture and Planning

17<sup>th</sup>-21<sup>st</sup> August, 2022

Organized by

Department of Architecture and Planning  
National Institute of Technology  
Patna, Bihar - 800005

### About Short Term Course

The objective of the course is to stimulate various domains of conducting research involved in Architecture and Planning and help academicians and researchers to conceptualise and formulate route map for their study. This Course will provide a platform for discussion and interaction with eminent speakers on various process of conceptualizing techniques and methodologies for successful conduction of research .

The programme will be conducted through online mode. The programme schedule and meeting link will be communicated to the participants through their registered email.

## 'LEARNING FROM HISTORY TO CREATE PARADIGMS INSPIRED BY ANCIENT WISDOM'

### 5 Days Online Faculty Development Programme

26TH - 30TH SEPTEMBER 2022

### About Workshop

Man is a 'Social - Animal' is a well-known and understood adage. For every human to grow, progress, prosper and "sustain" naturally needs constant, continuous human company, care, cooperation to meet every individuals social, cultural, economical and most vital the psychological support and upliftment and the master designers of the past very well understood and realised this essence (the soul) and planned and built almost every type of built form be it dwellings, public spaces essentially being "Introvertly Humane" in form of clusters, wadas to ensure that the spaces both built and unbuilt develop, promote and "sustain" a constant intermingling, interaction, cooperation, coexistence, between every person occupying or using those spaces-"The Architecture".

The programme intends to deliberate with the intent to rekindle and retrieve the wisdom of the past and blend - synthesise it with advancement made by present day science and technology to regain lasting solutions essentially 'Humane' in their outlook and results.

### Key Takeaway

Learning possible ways and means to

- Discover the lost "Soul-the Man"
- Discover and revive the obliterated wisdom and reinfusing the soul in Architecture in new 'Avatar' recreated, rekindled by adopting modern science and technology.
- Way forward to shift from present day explanations and illustration to means and methods to incorporate, explanations, illustrations that possibly will be helpful to the faculty to make such above noted/ envisaged shift.

### Notes:

- Teachers/ architects who wish to register for the training program either under Collaborative Training Program (CTP 2021-22) or as independent individuals may do so by filling up the Google form available on the given link.
- To confirm registration, kindly upload proof of payment towards the registration fees /nomination form on college letterhead before submitting the registration form.
- Link to join the program will be shared one day prior to the program
- This program is not for students.
- LAST DAY TO REGISTER - 25.09.2022
- REGISTRATION FEE For Academicians - INR 1500/-
- MCQ Test (conducted on last day of FDP)

E-Certificate of said training program shall be send via email on registered email id of participants, after successful completion of training program by participant i.e. attending all sessions and submitting MCQ Test and feedback form of training program.

## 'LEARNING FROM HISTORY TO CREATE PARADIGMS INSPIRED BY ANCIENT WISDOM'

### 5 Days Online Faculty Development Programme

26TH - 30TH SEPTEMBER 2022

### About Workshop

Man is a 'Social - Animal' is a well-known and understood adage. For every human to grow, progress, prosper and "sustain" naturally needs constant, continuous human company, care, cooperation to meet every individuals social, cultural, economical and most vital the psychological support and upliftment and the master designers of the past very well understood and realised this essence (the soul) and planned and built almost every type of built form be it dwellings, public spaces essentially being "Introvertly Humane" in form of clusters, wadas to ensure that the spaces both built and unbuilt develop, promote and "sustain" a constant intermingling, interaction, cooperation, coexistence, between every person occupying or using those spaces-"The Architecture".

The programme intends to deliberate with the intent to rekindle and retrieve the wisdom of the past and blend - synthesise it with advancement made by present day science and technology to regain lasting solutions essentially 'Humane' in their outlook and results.

### Key Takeaway

Learning possible ways and means to:

- Discover the lost "Soul-the Man"
- Discover and revive the obliterated wisdom and reinfusing the soul in Architecture in new 'Avatar" recreated, rekindled by adopting modern science and technology.
- Way forward to shift from present day explanations and illustration to means and methods to incorporate, explanations, illustrations that possibly will be helpful to the faculty to make such above noted/ envisaged shift.

### Notes:

- Teachers/ architects who wish to register for the training program either under Collaborative Training Program (CTP 2021-22) or as independent individuals may do so by filling up the Google form available on the given link.
- To confirm registration, kindly upload proof of payment towards the registration fees /nomination form on college letterhead before submitting the registration form.
- Link to join the program will be shared one day prior to the program
- This program is not for students.
- LAST DAY TO REGISTER - 25.09.2022
- REGISTRATION FEE For Academicians - INR 4500/-
- MCQ Test (conducted on last day of FDP)

E-Certificate of said training program shall be send via email on registered email id of participants, after successful completion of training program by participant i.e. attending all sessions and submitting MCQ Test and feedback form of training program.

Coordinated by:

**Prof. Pooja Shah**

Assistant Professor,

CTES College of Architecture, Mumbai

Ph. No. +91-9167-577-756

### PREAMBLE

Buildings are the vessels of our stories; they are our cultural artifacts and contain the stories of who we are, where we have come from, and where we shall be going to. The programme on ancient texts is intended towards understanding the probable conceptualisation and evolution of certain architectural spaces that are of profound interest and significance in contemporary times as well. It is an attempt to design a bridge that connects to the ancient systems and texts that have been anticipated as the origin of these architectural evolutions and probable influencers in its further development in India and the subcontinent. This training programme would focus on the correlation of Ancient Indian Texts to design philosophy of space, planning and ecology within the socio-cultural context.

### REGISTRATION PROCESS

Teachers/architects who wish to register for the training program either under Collaborative Training Program (CTP 2022-2023) or as independent individual may do so by filling up the attached Google form.

Registration fees (Independent individual registration):

Rs.1,500/- (Rupees One thousand five hundred only).

Link for application

**Ms. Roopa Chikkalgi** Asst. Professor, BMSCA

## PREAMBLE

Today, more than ever before it has become extremely important to think about the changing Landscapes and its impact on the society. The Degradation of Ecosystem and Natural Habitats has become one of the biggest challenges in today's context globally. Many Ecosystems are beyond repair and need serious interventions. The world now more than ever needs to pick up the pace and think of innovative and responsible ways of dealing with biodiversity loss, unsustainable development, climate change and water issues. Components like Hardscaping, Soil management, Irrigation, Surface treatment, lighting, all these need to be scrutinized when it comes to dealing with any Landscape project and worked upon sustainably. Enormous evidence indicates that incorporating aspects of nature into our architecture has the ability to contribute to human health. It becomes indispensable to design Spaces that foster human-nature connection which is essential to support the user's health, creativity, productivity, and happiness.

## THEMES

**Theme 1- Urban Concepts (Brown field Intervention)-**  
Sustainable Landscape Practices (Materials), Water harvesting and flood control, Productive Urban Landscapes, Conservation of Urban Fauna and so on.

**Theme 2- New Interventions (Green field development)-**  
Water Management on green field sites, Topography management, Habitats and their co-existence etc.

**Theme 3- Associative Landscape -**  
Sacred Landscapes and their role in Urban areas, Implication of Environmental laws in Urban Landscapes, Management and Maintenance of Sacred Landscapes and Cultural Landscapes

**Theme 4- Biophilic Architecture-**  
Traditional practices in Ecological approach, Regeneration of Urban Landscapes etc

## Notes:

Teachers/ architects who wish to register for the training program either under Collaborative Training Program (CTP 2021-22) or as independent individuals may do so by filling up the Google form available on the given link

Registration shall be confirmed and link to join will be shared on receipt of proof of payment towards the registration/nomination form on college letterhead. This program is not for students.

E-Certificate of said training program shall be send via email on registered email id of participants, after successful completion of training program by participant i.e. attending all sessions and submitting all assignments, EOFT and feedback form of training program

Registration fees: **Rs.3,000/- (Rupees three thousand only).**

Colleges may nominate faculty under CTP 2021-22 Kindly mail back scanned images of the proof of payment/nomination form printed on college letterhead and stamped and signed by the head of the college on [coanlinecnp@gmail.com](mailto:coanlinecnp@gmail.com)

# UNDERSTANDING TEMPLES

7th December to 11th December 2020

**Last date for Registration: 1st December 2020**

## ABOUT THE WORKSHOP

As with any other form of the builtform, temples, have been a direct response to their contemporary needs of worship and society. Since its earliest origins up to the present day, the architectural expression of the temple has changed dramatically, yet retaining its fundamental principles of planning. From tree-worship and wayside shrines to the elaborately designed urban monuments, temples encompass the plurality of cultural landscapes that have caused its very metamorphosis.

This workshop looks at the range of dynamics that have affected these changes. These include not only the changing practices of the religion itself but also its mythologies, documentation of tangible and intangible aspects, spatial movements, regional responses, the use and design of the temple precincts. We will conclude with the positioning of the temple and its form in modern times.

Convened by -

**Prof. Jayashree Deshpande**,

Director,  
COA-TRC, Pune.

Coordinated by -

**Dr. Shilpa Sharma**,

Associate Professor,

NAGPUR

## Short Term Training Programme on SUSTAINABLE HABITAT

Under Human Capacity Building Program at Visvesvaraya National Institute of Technology, Nagpur  
24<sup>th</sup> - 28<sup>th</sup> September 2019

### THE PROJECT

The project aims to build capacity by imparting training on "Climate Change Adaptation and Mitigation" with focus on various components like sustainable habitat green building, disaster risk reduction and management, and socio-economic vulnerability and livelihood. Under this project, VNIT Nagpur will be conducting ten training courses during 2017-20.

### ABOUT THE COURSE

Many of today's global problems arise from the availability and use of natural resources, caused by growing population and changes in lifestyle. The Ministry of New and Renewable Energy of India (Energy Access, 2012) states that India has the world's 5th largest generation capacity and it is the 6th largest energy consumer accounting for 3.4% of global energy consumption. Sustainable habitat is the single most influencing factor which outlines a society's aspiration for living a sustainable life. Habitat policies are government's response in understanding problems, perceived approach towards the remedies, and visualize future development of the society. Future habitat can only be sustainable and inclusive if we can replace the traditional ways of visualizing policy merely with economic cost benefit outcome. Our approach is to visualize habitat not only from the perspective of space but also its deep ecological and emotional values attached with spaces. This programme aims at training the participants in the area of Sustainable Habitat. The five day-long course will be majorly focusing on:

- Introduction to Green Rating Systems, GRIHA and IGBC, Energy & Water Efficiency.
- Water as a resource, Municipal Water supply and Sanitation, Ecology and Environment Inclusive Growth.
- Health and Cities, Energy Consumption, Green Building, ECBC, Renewable Resources.

- Sustainable Housing, Waste Management, Disaster Preparedness Management and Mitigation, Sustainable urban transport.
- Community participation in Sustainable cities, Design for Walkability, Smart mobility.
- Sustainable Habitat as a concept, Policies, Issues and Interventions.

### WHO SHOULD ATTEND

The course is designed for practising architects, civil engineers, structural engineers (private and public sectors), officials in PWD, CPWD, Urban local bodies, Zilla Parishad, Town Planning authority, Real Estate Developers etc. The participants are recommended to bring their laptop for hands-on training sessions.

### SELECTION OF PARTICIPANTS

- Number of participants is limited to 40.
- The course is fully funded by Department of Science and Technology, Govt. which includes lodging – boarding, course material and reimbursement of train fare by shortest route (3AC) of participation fees.
- Though there is no registration fees the applicant is required to send a security deposit, DD or cheque of Rs. 2000/- in favour of 'The Director VNIT, Nagpur' which will be returned after successful completion of the course.
- Duly filled application along with the security deposit, DD or cheque of Rs. 2000/- (DD or cheque) should reach to us by 23<sup>rd</sup> August 2019.
- The number of participants are limited and the selected participants will be informed on or before 27<sup>th</sup> August, 2019.
- The participants are recommended to bring their laptop for hands-on training sessions.

### COORDINATORS

Dr. Rajashree Kotharkar,  
Professor,  
Dept. of Architecture & Planning  
Ph. No. 0712-2801056, 9822719413  
Email: rskotharkar@arc.vnit.ac.in

Dr. Ratnesh Kumar,

### ABOUT VNIT, NAGPUR

VNIT Nagpur is an Institute of National Importance, named after Bharat Rama Sir M. Visvesvaraya. The vision of institute is to contribute effectively to the national endeavour of producing quality human resource of world class standard by developing a sustainable technical education system to meet the changing technological needs of the country incorporating relevant social concerns and to build an environment to create and propagate innovative technologies for the economic development of the nation.

### DEPARTMENT OF ARCHITECTURE & PLANNING

Department of Architecture and Planning offers UG program in Architecture and PG program in urban planning. It developed technical expertise in the field of Green Building, Urban Sustainability and Disaster Risk Reduction. The department is extensively involved in research and consultancy in the fields of Urban Heat Island studies, Cool Roofs and Disaster Risk Reduction.

### DEPARTMENT OF APPLIED MECHANICS

Established in 1966, the Department of Applied Mechanics offers two post graduate programs. The department is extensively involved in research, consultancy and capacity building in the field of earthquake and wind engineering. The department has well equipped labs including a large (3m x 3m) servo-hydraulic shake table facility for seismic ground motion simulation.

### COURSE FACULTY

The lectures will be delivered by the experienced faculty from VNIT, Nagpur and outside experts from IITs, NITs, SPAs, and Practising Architects, Planners from industries.

## PROJECT: Capacity Building for Climate Change Adaptation and Mitigation with a Special Focus on Sustainable Habitat and Risk Management

DEPARTMENT OF SCIENCE & TECHNOLOGY  
Government of India

VISVESVARAYA NATIONAL INSTITUTE OF TECHNOLOGY, NAGPUR

### Note

- Number of participants is limited to 40.
- The course is fully funded by Department of Science and Technology, Govt. which includes lodging – boarding, course material and reimbursement of train fare by shortest route (3AC)
- Though there is no registration fees the participant is required to send a security deposit, DD or cheque of Rs. 2000/- in favour of 'The Director VNIT, Nagpur' which will be returned after successful completion of the course.
- Duly filled application along with the security deposit, (Rs. 2000/- DD or cheque) should reach to us by 23<sup>rd</sup> August 2019.
- Application without the certificate of concerned authority will not be entertained.
- Please note that 100% attendance is compulsory in the course.
- The number of participants are limited and the selected participants will be informed on or before 27<sup>th</sup> August, 2019.
- The participants are recommended to bring their laptop for hands-on training sessions.

## Council of Architecture ONLINE Training Program

### “Teaching Indian Architectural History”

Convened by Prof. Jayashree Deshpande, Director, COA-TRC, Pune

Coordinated by Dr. Vaishali Prasad Latkar,

Head, M. Arch. (Architectural Conservation), Sinhgad College of Architecture, Pune

Venue: Council of Architecture Training & Research Centre (COA-TRC), Pune

Dates: 11<sup>th</sup> to 15<sup>th</sup> May 2020

**Last Date of  
Registration**

**6<sup>th</sup> May 2020**

#### Preamble-

Historic architecture has always been a highly debated and largely neglected domain in architectural education. It results in a disconnect with our cultural past in architectural practices. A close inspection of the architectural practices in India reveals that many of our post-independence Indian masters owe their success to their rootedness in our past. Scholars today recommend study of historic architecture for creation of culturally responsive sustainable architecture. Architectural history is no more a discipline rooted in style and periods but is a repository of our traditional knowledge. Postcolonial theories highlight the disconnect with our cultural past. Thus, we need to review our theoretical position on historic architecture in keeping with various emerging theories. Large number of scholars have done pioneering research about Indian architecture in recent times.

Are our architectural history teachers aware of this and trained for this? Are they aware of the nuances of 'history' as a discipline? Architectural History is a very specialized domain that evolved from art history and has its own set of pedagogical challenges that need to be addressed. When oriental philosophy is strongly emerging in heritage conservation practices as a school, architects at large are still ignorant about the subtleties of the same.

This training program offers an opportunity to learn about the history as a subject, philosophical stances related to history, introduction to new approaches for understanding history. Exclusive sessions on different phases of Indian history by experts from Indology, archaeology and architecture are planned to give new insights into each phase along with pedagogical knowledge and technical innovations to enrich the capabilities of the history teacher.

#### Identified Resource Persons

- Mr. Anand Kanitkar, Pune.
- Prof. K. B. Jain, Ahmedabad
- Dr. Shradha Kumbhojkar, Pune.
- Prof. Asha Baste, Pune.
- Prof. Nalini Thakur, Chennai.
- Ar. Sonal Karanjikar, Pune.
- Dr. Ghetan Sahasrabudhe, Pune
- Dr. Pushkar Sohoni, Pune.
- Dr. Viraj Shah, Pune.
- Dr. G. B. Deglurkar, Pune..
- Dr. Sharvey Dhongde, Pune.
- Dr. Vishakha Kavathekar, Bhopal.

Teachers/architects who wish to register for this ONLINE training program under Collaborative Training Program (CTP) should do so by filling up the Google Form available on : <https://forms.gle/WyKewVeWPv4t3Chn8>

Please note that this program is FREE

There is no registration fee for this program for teachers from colleges under CTP

**Participation shall be confirmed on receipt of duly completed registration form.**

**Link to the sessions shall be shared with confirmed participants.**

**Certificate will be awarded to participants on successful completion of program**

# PROJECT: Capacity Building for Climate Change Adaptation and Mitigation with a Special Focus on Sustainable Habitat and Risk Management

DEPARTMENT OF SCIENCE & TECHNOLOGY  
Government of India  
VISHVESVARAYA NATIONAL INSTITUTE OF TECHNOLOGY, NAGPUR

## THE PROJECT

The project aims to build capacity by imparting training on "Climate Change Adaptation and Mitigation" with focus on various components like sustainable habitat, green building, disaster risk reduction and management, and socio-economic vulnerability and livelihood. Under this project, VNIT Nagpur will be conducting ten training courses during 2017-20.

## ABOUT THE COURSE

"The more governments, UN agencies, organizations, businesses and civil society understand risk and vulnerability the better equipped they will be to mitigate disasters when they strike and save more lives" -Barr Ki-moon, United Nations Secretary-General. Extreme events are events that have extreme values of certain important meteorological variables. Damage is often caused by extreme values of certain meteorological variables such as large amounts of precipitation (e.g., floods), high wind speeds (e.g., cyclones), high temperatures (e.g., heat waves), sudden and violent shaking (Earthquakes) etc. A disaster is a sudden, calamitous event that seriously disrupts the functioning of a community or society and causes human, material and economic or environmental losses that exceed the community's or society's ability to cope using its own resources. Though often caused by nature, disasters can have human origins. The National Disaster Management Plan of India incorporates substantially the approach enunciated in the Sendai Framework and aims to make India disaster resilient, achieve substantial disaster risk reduction, and significantly decrease the losses of life, livelihoods, and assets - economic, physical, social, cultural, and environmental- by maximizing the ability to cope with disasters at all levels of administration as well as among communities. This course aims at addressing the concerns of NDMA and training the stake holders.

It focuses on 1) Geophysically triggered disasters like earthquake, Tsunami, Landslide; 2) Extreme events like Heat Wave, Cyclone, Urban Floods, etc. and 3) building fire; Each unit will focus on understanding the fundamentals of extreme events / disaster, related risk and possible mitigation and adaptation methods with respect to human settlements.

## WHO SHOULD ATTEND

The course is designed for practising architects, civil engineers, structural engineers (private and public sectors), officials in SDMA, DDMA, NDMA, Urban local bodies, Zilla Parishad, Town Planning authority, Real Estate Developers etc. The participants are recommended to bring their laptop for hands-on training sessions.

## SELECTION OF PARTICIPANTS

- Number of participants is limited to 30.
- The course is fully funded by Department of Science and Technology. GoI which includes lodging - boarding, course material and reimbursement of train fare by shortest route (3AC) of participants.
- Though there is no registration fees the applicant is required to send a security deposit, DD or cheque of Rs. 2000/- in favour of 'The Director VNIT, Nagpur' which will be returned after successful completion of the course. If not attended, the security cheque will not be returned.
- Daily filled application along with the security deposit of Rs. 2000/- (DD or cheque) should reach to us by 25<sup>th</sup> February, 2019.
- The number of participants are limited and the selected participants will be informed on or before 26<sup>th</sup> February, 2019.
- The security deposit cheque or DD of the applicants who are not selected for the course will be sent back to the address of correspondence provided by them in the application form.

## COURSE FACULTY

The lectures will be delivered by the experienced faculty from VNIT, Nagpur and outside experts from IITs, NITs, SPAs, and Practising Architect, Planners from industries.

# Short Term Course on Extreme Events, Disaster Risk Reduction and Management Under Human Capacity Building Program at Visvesvaraya National Institute of Technology, Nagpur 11<sup>th</sup> - 15<sup>th</sup> March 2019

## COORDINATORS

**Dr. Rajashree Kotharkar**,  
Professor,  
Dept. of Architecture & Planning  
Ph. No. 0712-2801056, 9822719413  
Email: rskotharkar@arc.vnit.ac.in  
**Dr. Ratnesh Kumar**,  
Associate Professor,  
Dept. of Applied Mechanics  
Ph. No. 0712-2801582, 9372548232

## ABOUT VNIT, NAGPUR

VNIT Nagpur is an Institute of National Importance, named after Bharat Rata Sir M. Visvesvaraya. The vision of institute is to contribute effectively to the national endeavour of producing quality human resource of world class standard by developing a sustainable technical education system to meet the changing technological needs of the country incorporating relevant social concerns and to build an environment to create and propagate innovative technologies for the economic development of the nation.

## DEPARTMENT OF ARCHITECTURE & PLANNING

Department of Architecture and Planning offers UG program in Architecture and PG program in urban planning. It developed technical expertise in the field of Green Building, Urban Sustainability and Disaster Risk Reduction. The department is extensively involved in research and consultancy in the fields of Urban Heat Island studies, Cool Roofs and Disaster Risk Reduction.

## DEPARTMENT OF APPLIED MECHANICS

Established in 1966, the Department of Applied Mechanics offers two post graduate programs. The department is extensively involved in research, consultancy and capacity building in the field of earthquake and wind engineering. The department has well equipped labs including a large (3m x 3m) servo-hydraulic shake table facility for seismic ground motion simulation.

## Note

- Number of participants is limited to 30.
- The course is fully funded by Department of Science and Technology, GoI which includes lodging - boarding, course material and reimbursement of train fare by shortest route (3AC)
- Though there is no registration fees the participant is required to send a security deposit, DD or cheque of Rs. 2000/- in favour of 'The Director VNIT, Nagpur' which will be returned after successful completion of the course.
- Daily filled application along with the security deposit, (Rs. 2000/- DD or cheque) should reach to us by 25<sup>th</sup> February, 2019.
- Application without the certificate of concerned authority will not be entertained
- Please note that 100% attendance is compulsory in the course
- The number of participants are limited and the selected participants will be informed on or before 26<sup>th</sup> February, 2019.
- The participants are recommended to bring their laptop for hands-on training sessions.

## Signature of Applicant

## Certificate of Concerned Authority

The applicant will be permitted to participate in the above programme, if selected. Further, I have personally talked to the applicant and he/she seemed to be sure to attend the course, in case the admission is granted to him/her.

**Schedule for Five Day Training Program "Introduction to Energy Conservation Building Code"  
at Mumbai from January 30 to February 03, 2019**

**Day - 1**

Time	Topic	Faculty
10:30 am - 12:00 noon	Registration of participants ECBC awareness	Identified ECBC Master Trainer
12:00 noon - 12:15 pm	Tea Break	
12:15 pm - 1:45 pm	ECBC Scope & administration	Identified ECBC Master Trainer
1:45 pm - 2:15 pm	Lunch Break	
2:15 pm - 3:45 pm	Introduction to Building Physics	Identified ECBC Master Trainer
3:45 pm - 4:00 pm	Tea Break	
4:00 pm - 5:30 pm	Building Envelope	Identified ECBC Master Trainer

**Day - 2**

Time	Topic	Faculty
10:30 am - 12:00 noon	Comfort Systems and Controls	Identified ECBC Master Trainer
12:00 noon - 12:15 pm	Tea Break	
12:15 pm - 1:45 pm	Hot water and pumping	Identified ECBC Master Trainer
1:45 pm - 2:15 pm	Lunch Break	
2:15 pm - 3:45 pm	Lighting and Controls	Identified ECBC Master Trainer
3:45 pm - 4:00 pm	Tea Break	
4:00 pm - 5:30 pm	Electrical and renewable Energy Systems	Identified ECBC Master Trainer

**Day - 3**

Time	Topic	Faculty
10:30 am - 12:00 noon	Introduction to ECBC Compliance	Identified ECBC Master Trainer
12:00 noon - 12:15 pm	Tea Break	
12:15 pm - 1:45 pm	ECBC Compliance procedures	Identified ECBC Master Trainer
1:45 pm - 2:15 pm	Lunch Break	
2:15 pm - 3:45 pm	Whole Building Performance Approach	Identified ECBC Master Trainer
3:45 pm - 4:00 pm	Tea Break	
4:00 pm - 5:30 pm	Demonstrating compliance	Identified ECBC Master Trainer

**Day - 4**

Time	Topic	Faculty
10:30 am - 12:00 noon	Live/documented Case studies of ECBC Compliant projects	Identified ECBC Master Trainer
12:00 noon - 12:15 pm	Tea Break	
12:15 pm - 1:45 pm	Live/documented Case studies of ECBC Compliant projects	Identified ECBC Master Trainer
1:45 pm - 2:15 pm	Lunch Break	
2:15 pm - 3:45 pm	Introduction to Energy Simulation I	Identified ECBC Master Trainer
3:45 pm - 4:00 pm	Tea Break	
4:00 pm - 5:30 pm	Introduction to Energy Simulation II	Identified ECBC Master Trainer

**Day - 5**

Time	Topic	Faculty
10:30 am - 12:00 noon	Energy Simulation: Hands-on Workshop I	Identified ECBC Master Trainer
12:00 noon - 12:15 pm	Tea Break	
12:15 pm - 1:45 pm	Energy Simulation: Hands-on Workshop I	Identified ECBC Master Trainer
1:45 pm - 2:15 pm	Lunch Break	
2:15 pm - 3:45 pm	Energy Simulation: Hands-on Workshop II	Identified ECBC Master Trainer
3:45 pm - 4:00 pm	Tea Break	
4:00 pm - 5:30 pm	Energy Simulation: Hands-on Workshop II	Identified ECBC Master Trainer

# CERTIFICATE OF PARTICIPATION

Council of Architecture

This certificate is awarded to

**Ms. Meghana Ramakant Manisha Sawant**

for participating in the Training Program on

**"Provisions of Energy Conservation Building Code (ECBC)"**

from 30th January to 3rd February, 2019

at

**Sir J. J. College of Architecture, Mumbai**

Organized jointly by

**Council of Architecture (COA) &  
Bureau of Energy Efficiency (BEE)**

### Preamble

Architecture research is mightily important to success and ultimate viability for the Profession. Architectural research has been conducted throughout the history of Architecture. Conduct of architectural research outside the confines of specific building project is a much more recent phenomenon. Increasing pace of "Post industrial technological change has exploded the knowledge base research" for architecture profession, so that systemic investigation of situation/ problem in order to generate new knowledge is most required. Over last two decades, great variety of research activity has continued. Research is gaining importance in architecture education as well as in profession in the realm of built environment. Aim of this training program is to provide an introductory guide for everyone wishing to conduct research as an aspect of built environment. This opens up a new avenue in research and helps the researcher in extrapolating the findings to the real world of practice. The objective of this five day training program is to demystify the process of research. It will focus on methodology, types of research, framing research topics, aim, objective and hypothesis, data collection, data analysis etc.

### Key themes of the Program would include :

- Types of research in Architecture
- Tools and Techniques of Research
- Research methods
- Framing synopsis
- Framing research title / Proposals.
- Framing Research Questions
- Data collection and data analysis
- Use of statistics.
- Ethics in research
- Writing research proposal

### Key Speakers :

- |  |  |
|--|--|
| • <b>Dr. Ujwala Chakradeo</b> , Nagpur<br>Principal, SMMCA, Nagpur             | • <b>Dr. Jagan Kharade</b> , Kolhapur<br>HOD, Department of Humanity SUK, Kolhapur         |

### Registration Process:

Colleges who have registered with Council of Architecture under the Collaborative Training Program for the year 2018-2019 by payment of training fees in advance, proportionate to their average intake, can nominate teachers to participate in this Program. The nominated teachers can register for this Program by filling up the attached google form and mailing back a scanned image of the application form duly authenticated by HOD/Principal on [directorcoatr@gmail.com](mailto:directorcoatr@gmail.com), [tpcoatr.pune@gmail.com](mailto:tpcoatr.pune@gmail.com) and [apwategave@gmail.com](mailto:apwategave@gmail.com) and [architectspjagtap@gmail.com](mailto:architectspjagtap@gmail.com)

Only in case nominated teachers registered for this Program require provision of accommodation, the facility of accommodation on sharing basis, breakfast and dinner for five days can be availed of by payment of Rs. 5,000/- per head by online payment/ bank challan and mailing back scanned images of the proof of payment together with application form duly authenticated by HOD/Principal on [directorcoatr@gmail.com](mailto:directorcoatr@gmail.com), [tpcoatr.pune@gmail.com](mailto:tpcoatr.pune@gmail.com) and [apwategave@gmail.com](mailto:apwategave@gmail.com) and [architectspjagtap@gmail.com](mailto:architectspjagtap@gmail.com)

OR

Teachers/architects other than those nominated by schools of architecture, desirous of participating in this training Program, may register by filling up the attached google form and mailing it back along with a scanned image of receipt of online payment/bank challan towards registration fees on [directorcoatr@gmail.com](mailto:directorcoatr@gmail.com), [tpcoatr.pune@gmail.com](mailto:tpcoatr.pune@gmail.com) and [apwategave@gmail.com](mailto:apwategave@gmail.com) and [architectspjagtap@gmail.com](mailto:architectspjagtap@gmail.com)

### Registration fees:

- Rs. 10,000/- (inclusive of delegate kit, course material and lunch + site visits if scheduled)
- Rs.15,000/- (inclusive of delegate kit, course material, accommodation on sharing basis, breakfast, lunch & dinner + site visits if scheduled)

# CONSTRUCTIVE CRIT

Revisiting pedagogical objectives of a Design Jury

**Date:** 11<sup>th</sup> February to 15<sup>th</sup> February, 2019

**Venue:** Council of Architecture Training & Research Centre (COA-TRC), Pune

**Convened by**

**Prof. JAYASHREE DESHPANDE**  
Director, COA-TRC, Pune

**Coordinated by**

**Prof. SAGAR T S**  
School of Architecture, Siddaganga Institute of Technology,  
Tumakuru

**Last date for registration:**  
04<sup>th</sup> February 2019

# CONSTRUCTIVE CRIT

Revisiting pedagogical objectives of a Design Jury

## PREAMBLE

The design jury, design critique, or crit is a common teaching and learning strategy within art, design, and architecture education. It dates back to the nineteenth century Beaux-Arts school of architecture education and has since evolved into a variety of different formats within architectural education. The aim of the design crit is to provide oral formative or summative feedback, depending on when the crit occurs in relation to the design exercise, and to prepare the students for their careers as professional designers presenting their designs to clients.

There are criticisms on the process of crit as being more negative and not comprehending to heighten the learning atmosphere for student anxiety, students' inability to learn from the feedback, power asymmetry between student and faculty or privileging professional acculturation over student learning. Yet it is universally accepted that Design crit is a distinguishing factor of education so, there arises a need to relook into various methods and techniques of conducting a constructive crit.

The five day programme would look out to explore various components of a design crit focussing on the learning objectives and outcomes of the level of the design education, studio brief and expected quality of work from the students, relevance of the crit and take away from the comments given, ways to incorporate the jury comments into furthering the design process. The discussions would focus on the crit environs like timing, participants, audience, feedback, purpose, language and location. ET all, the programme would conclude with finding ways to device the process of crit as a conducive method of design pedagogy.

## TOPICS TO BE ADDRESSED

**WHEN ?** Planning and scheduling Crits during the design process, Methods of conducting Crit/ Jury

**WHAT ?** Expectations of a Jury panel and preparing students to address them, Submission requirements, standard of work, Quantitative and qualitative assessment of Architectural works

**HOW?** Process of Jury, Language of Crit, Level of inputs, Dialogue between the student and the juror, Constructive methods of Critique

**WHY?** Expected outcomes, Logical reasoning for comments given

**WHO?** Addressing students of various level, selection of jurors

## PANEL OF RESOURCE PERSONS

Prof. Neelkanth Chhaya

Prof. Jayashree Deshpande

Dr. Ujwala Chakradeo

Prof. Aneerudha Paul

Prof. Ainsley Lewis

Prof. Sagar T S

## Registration Process:

#### **35.4. Policy for Faculty Research Schemes and Related Equipment Acquisition**

Faculty may want to work on research projects, or purchase equipment, or develop software that can be beneficial to the institute, or pursue a new exploratory project. The faculty may propose purchase of new equipment or software or support from the MES Executive Committee for such projects. Following are the guidelines to be observed:

- A. A total amount of up to Rs 100,000 can be approved for an individual faculty member for a specific project or facility or a total amount of up to Rs 10,00,000 can be approved for any piece of equipment that would contribute to research projects.
- B. An interested faculty member should make a concrete proposal with details of a proposed equipment purchase. This should include associated costs of the equipment, and how it will benefit the College or contribute to the faculty member's research.
- C. This scheme cannot be used to purchase equipment needed due to a change in syllabus or similar reason. Faculty and Department Heads use regular department funds for such purchases.
- D. Once the equipment purchase is made, the faculty member will maintain detailed and up-to-date records of the purchase, of any and all research related to its use, patents or other benefits of such projects, and submit same to the principal from time to time.

#### **35.5. Procedure for Initiating Faculty Research Schemes**

- A. A faculty member must submit a written proposal to the Principal with copies to the Head of Department and the Dean of Research and Development.
- B. These individuals review the application and check whether policy guidelines are met.
- C. If so, the Principal will forward the application to the MES Executive Committee for consideration and approval.
- D. The Principal will communicate the decision to the concerned faculty member, the Head of Department, the Dean of Research and Development, and if approved, the Registrar.

#### **35.6. Sponsorships for Attending Conferences and Workshops**

Faculty are encouraged to participate in conferences and workshops to present and disseminate their research. If funds are required for conference expenses such as travel or conference registration, faculty may apply to the department for the funds. The Principal may sanction partially or completely the faculty request provided the following conditions are met:

- A. A maximum of up to Rs 50,000 can be approved for each faculty member.
- B. The faculty member can avail this facility once every two years.
- C. Approval is only granted when the department has not exhausted its budget for the academic year.
- D. The conference must be conducted by a reputable organization, Industry association, or university.
- E. If leave is required no more than three days can be given in one semester or more than five days in one academic year.
- F. Any lost days should not adversely affect the teaching load or syllabus completion.

### **35.7.Procedure for Sponsorship Requests**

- A. The faculty member submits an application to the Principal with a copy to the Head of Department
- B. The Principal and Head of Department reviews the application and checks whether policy guidelines are met.
- C. The Principal will make the final decision and communicate that to the concerned faculty member, the Head of Department, and the Registrar.

### **35.8.Consultancy Procedures**

PHCOA has expertise in various technical and artistic areas to provide knowledge and expertise which are of interest to related industries and organizations. As a policy PHCOA encourages its faculty members to take up consultancy projects. Consultancies for faculty members must meet the following guidelines.

- A. An acceptable consultancy project is one where faculty provides expertise to industry or other organizations primarily for that entity's purposes. The project may originate from the outside organization, or faculty may initiate the relationship.
- B. Written approval by the Principal must be secured before accepting a consultancy. A proposal should clearly indicate the effort involved (in terms of use of office time) and the extent of use of infrastructure of the College and any similar burdens.
- C. The faculty member submits a budget to the Principal in which fees to be received are described, and details of likely expenses and so forth are outlined. In general PHCOA does not pay for travel or cost of equipment specific to such an outside project, but a faculty member normally would be allowed to use the infrastructure of the College.
- D. Once a consultancy has been approved, the faculty member pays 30% of the consultancy fee (and GST if applicable) to the College, if using PHCOA infrastructure for implementation of the project. If no use of College infrastructure is needed, this payment is 10% of the consultancy fee (and GST if applicable). The Principal is the final authority to decide the quantum of consultancy fee which a faculty member should pay to the College.
- E. For any paid consultancy the faculty member must submit a letter or purchase order from the client, clearly stating the work to be carried out, its timeline, the purpose of the consultancy, and the names of the primary people involved.
- F. PHCOA will produce a GST invoice for any consultancy project.

### **35.9.Unpaid Consultancies**

Faculty members may be requested by government agencies or non-profit organizations to conduct consultancy on an honorary basis. In such cases, they should try to obtain a letter of request from the client in writing. Faculty may carry out such projects after notifying the Principal.
