1. Description

The time table for external theory and viva voce exams are announced 15 days prior to the start date of exams.

In case of viva voce examinations, where external subject experts are invited to conduct the viva, if a student is not satisfied with the external examiner's inputs, he/she can apply for a re-viva by writing to the Principal or the Chairperson. Such students are assigned a different pair of external examiners to assess their work.

Post completion of all exams, the results are declared within 45 days from the last exam date. For students who wish to get their answer sheets photo-copied or re-evaluated, a notice for the same is put up on college notice board and students can apply for photo-copy or revaluation within 7 working days from the date of declaration of result. The revaluation results are declared within 45 days after the last date of application for revaluation.
