4.1.2 The institution has adequate facilities for cultural activities, sports (indoor, and outdoor), gymnasium, yoga centre etc.

Response:

The institution is equipped with a wide range of adequate facilities to support cultural activities, sports (both indoor and outdoor), a gymnasium, and a dedicated yoga centre, ensuring that students have access to opportunities for physical, mental, and artistic development. Open big ground enables various sports and cultural activities, central lawn also allows many events to happen, along with these there is a games room on the 5th floor, and a rifle shooting range on the 7th floor. The multipurpose hall on the third floor also allows many activities such as yoga, games etc to happen for better interaction and growth of students apart from the curriculum. We also have an art court on each floor which again is an interactive and semi-open area for various sports, cultural, games etc. activities. Our campus also has a gymnasium for students and faculties
