EDUCATION

MAHATMA EDUCATION SOCIETY'S

PILLAI HOCL EDUCATIONAL CAMPUS

Pillai HOC College of Architecture (PHCOA) was established in 2010.
We offer a 5 year full time professional degree in Architecture (B.Arch) affiliated
to Mumbai University.

PHCOA is recognized by the Council of Architecture (COA), and the
Government of Maharashtra.

Chairman's Note

"I believe a youth empowered India is an India capable of impacting the world; it can define intellect and courage as it's the most powerful human asset and claim the 21st Century as it's own. I call such a nation an Edu-Nation and I firmly believe that we can create a nation where every child enjoys every opportunity to grow into a self-reliant, self-respecting individual."

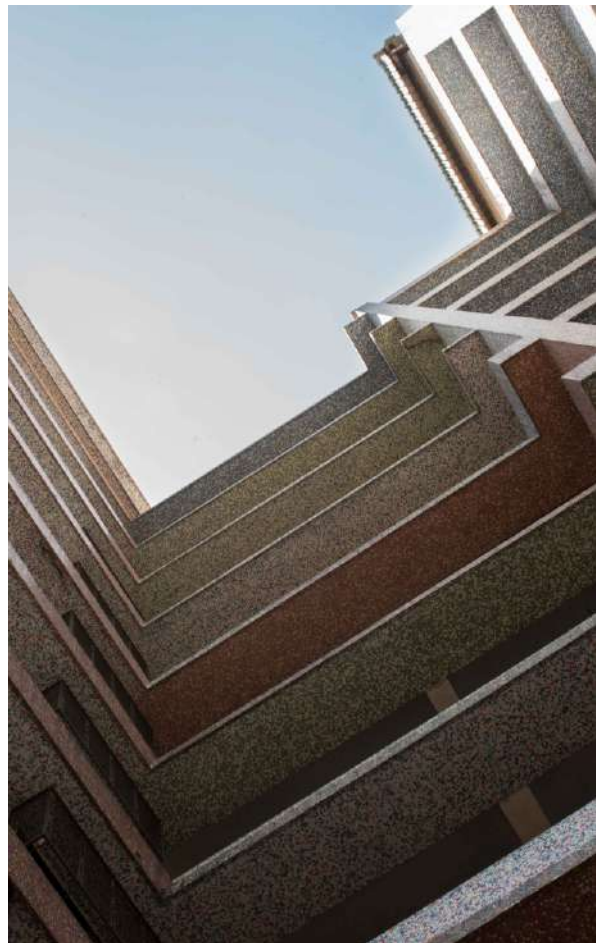

Dr. K.M. Vasudevan Pillai

Chairman & CEO
Mahatma Education Society

Mahatma Education Society (MES), one of the leading institutions for quality education, was founded in the year 1970 and is a living example of a vision linked irrevocably to national goals. Born in a time when education was a deemed service it set about bringing social and economic change through proactive personal development of every child that came into its fold.

The vision of Dr. K.M. Vasudevan Pillai (Founder, Chairman and CEO) and Dr. Daphne Pillai (Secretary) guided the trust which grew from a single school into several multi-disciplinary institutions delivering quality education at all levels.

MES owns and manages over 48 institutions, from pre-primary to post graduation. Well known as the Pillai Group of Institutions, this education major has its own teacher training institutes, which allow it to define its own standards and to achieve 100% results unfailingly. It does so through a highly motivated faculty, a learning environment powered with latest technologies, a spirit of innovation that sees it reach for the highest standards of accreditation in its field. MES recognizes that the sharing of knowledge remains the finest manifestation of a unified world. The Pillai Group of Institutions believe that a more informed India is a stronger India.

Vision

To offer dynamic and pioneering architectural education through constantly evolving creative teaching methods to develop, implement and foster a sustainable built environment in our graduates professional careers.

Mission

To help our students blossom as knowledgeable, skilled and empowered professionals, who will apply their expertise, creativity, energy and skills to the complex and ever-changing challenges of the built environment.

To build a strong foundation of outstanding teaching and a deeply rooted creative culture, to help shape the world of tomorrow through the intelligence, growth and effort of our students.

To create a mechanism through which the work of our graduates will yield a more sustainable, more environmentally respectful, more equitable environment where people may live, work, play, and thrive.

Program

The Bachelor's Degree program begins intensively with architectural studies in the first year and provides the opportunity to explore many aspects of Architecture and to develop individual strengths and interests throughout the program.

The curriculum includes four cycles of development. The first cycle focuses on developing a foundation in understanding Architecture, improving drawing skills and the various languages and mediums of expression required in architecture.

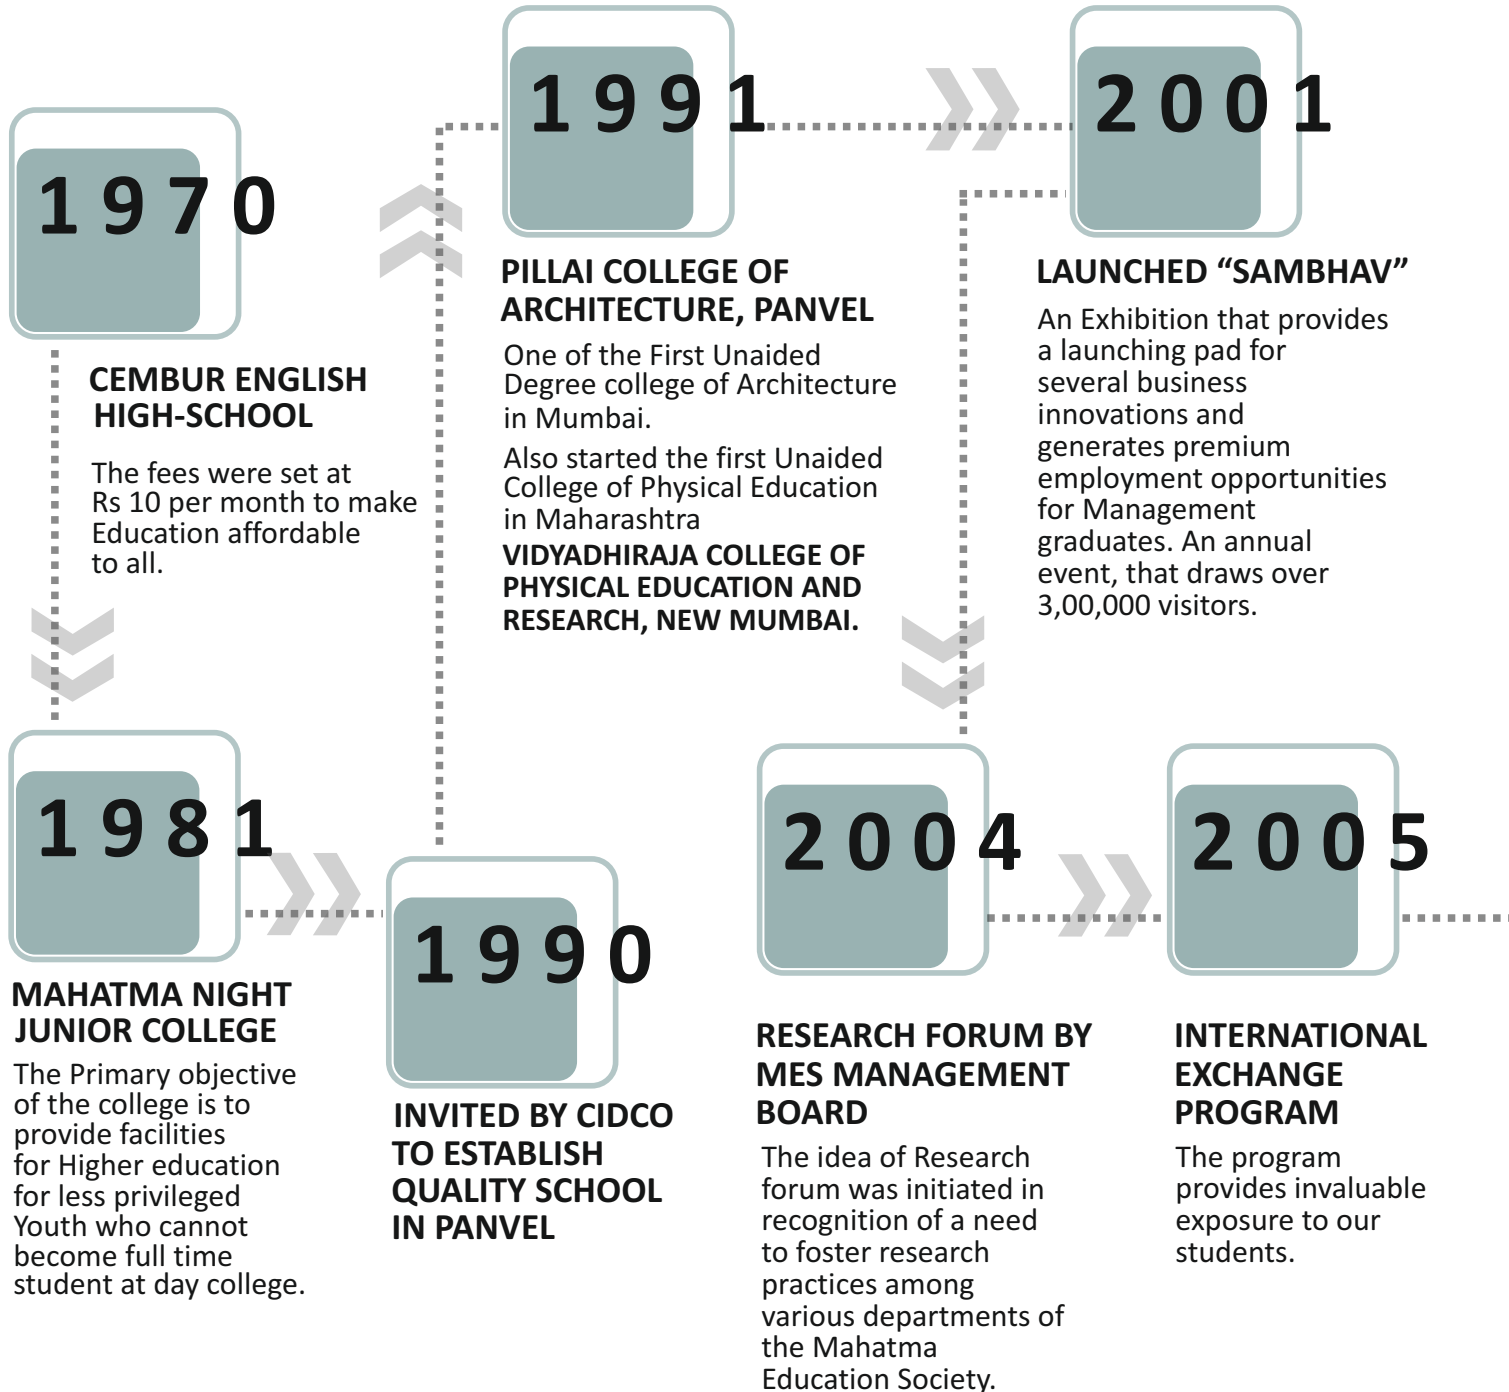

The second cycle provides students the opportunity to explore subjects like Architectural Design, Building Construction & Services, Architectural Representation & Detailing and more.

As a part of the curriculum students are also required to undergo Professional Training under a registered Architect for a minimum duration of 16 weeks in the 4th year (SEM VIII) .

The final year culminates with Design Dissertation that includes all the technical subjects.

Message from our students

"At PHCOA, we enjoy great infrastructure and various facilities that boost learning both in and outside the studios.

- Mayur chikane

"Apart from architecture we also learn a lot of subjects in electives and collaborative studios. More over the faculty is very motivating that enhances design thinking and realisation."

- Shardul Mahajan

"I have always been into sports. The level of exposure and participation I got here has made me stronger, better, and confident in my overall activities."

- Durva Nerkar

"At PHCOA, I have unfolded the most amazing chapters of my life. Here, my creativity has found a canvas, my talents have found a platform and my thirst to acquire knowledge and explore has become my reality."

- Tanvi Pawar

"In a weirdly confusing journey through college you discover and rediscover yourself every day, through the voyages you take, through the bonds you forge, through the lessons you learn. This great experience of a lifetime was indeed the most important learning at HOC. "

- Yash Pawar

"For me architecture was possible because we have some of the best experienced and friendly faculty. With their continuous guidance and consistent hand holding it has been possible for me to be a better and a responsible person.

- Piyansh Sagalgile

"PHCOA has not just been about great infrastructure and facilities, but also about the amazing faculty who have made learning possible for us. It has been a fruitful and fulfilling experience with all the studios and interactive workshops."

- Samruddhi Sharma

"PHCOA is a place to enjoy both academic and co-curricular activities. This place has enhanced my interpersonal skills and exposed to various other school of thoughts as it is a shared campus. Our Principal madam has always shown tremendous support in all co curricular endeavours."

-Himanshi Dodiya

STUDENT INITIATIVES

PHCOA NSS Team has student volunteers from every batch that devotes time to various social services and Interventions. The team has worked upon development and enhancement of the adopted village(Karade Khurd) at Rasayani. Tree plantation in public spaces, beautification of school premises, garden creation at Aganwadi and women's development programme are some of the initiatives taken by the NSS team.

STUDENT INITIATIVES

Team **Parivartan** is a COMMUNITY SERVICE wing of **PILLAI HOC COLLEGE OF ARCHITECTURE**. It strives to connect people through design. The team works effortlessly to identify locations that require fruitful design intervention. The team analyses various contexts, then studies the problems and comes up with rational design/architectural solutions which are then implemented on site to solve various issues. Such kind of an effort exposes students to real life situations which they will face when they become architects.
